

UPS rental

All-inclusive solution for immediate Critical Power needs

your energy
our expertise

Socomec UPS rental

For guaranteed high quality, uninterrupted electrical energy - where and when you need it most - Socomec UPS rental is the ideal short-term critical power solution for rapid response deployment.

Immediate UPS Availability

Over 200 UPS across all Power Ranges (from 1 to 500 kVA) are in-stock, ready to be fast-tracked to your site.

Flexible Rental Options

Because every situation is unique, Socomec offers a flexible approach to rental periods, from just one week up to several months and beyond - with easy extension options.

All-Inclusive Solution

As the industry experts, Socomec will take care of all aspects of the UPS shipping, commissioning and maintenance - right through to removal and return transportation - making deployment quick and easy.

Access a manufacturer's expertise

Expert service engineers
